# ASH Summary of NIH Guidanceon Grants, Operations During COVID-19Response

The NationalInstitutes of Health (NIH) recently release at series of notices to help researche administrators manageants related obligations while institutions respond to disruption from COVID-19.

# The <u>first notice is an update dannounce rent</u> about late applications

- x NIH will be highly accommodating of late applications submitted through May 1, 2020. It anticipate, but cannot guarantee, that all late applications submitted by that date will be reviewed in the council round to which they were submitted (e.g. August or October 2020).
- x Applicants should assume that late applications submitted after May 1 may not be reviewed until meetings for the January 2021 council round (e.g., **Ontological**).

### The secondotice provides:

- x Responses frequently asked question (FAQs) about managing proposals and awards in an emergency, such as the ability to recover expense for travelor attending a conference hat was unavoidably ancelled.
- x Grantpoliciesalsoallowfor extensions submitting required progressor financial reports, although prior approval may be needed be pending on the circumstances.

#### The NIH also released:

FlexibilitiesAvailableto Applicantsand Recipientsof FederalFinancialAssistanceAffected by COVID-19, whichincludesinformationon:

x Reimbursement expense and salaries on research projects
NIH understand that many researchens ay be unable to work as a result of or related to the effects of COVID-19. If a recipient organization's policy allows for the charging of salaries and benefits during periods when no work is performed bue to the effect of COVID-19, regardless the funding source. then such charge to NIH grant awards will be lowable.

### Additionally, the NIH releasedidanceegarding

- x Flexibilitieson NIH-funded clinical trials and human subject stimlinesoed by COVID-19
- x NIH encouragegrant recipients to consult with their IRB and institutions about potential measures to protect participants and research staff

Institutionalofficials are advised o monitor the agenc's webpageNIH Extramura Response to Natural Disaster and Other Emergencie for further updates.
